Lean On Me

Sometimes in our lives
We all have pain, we all have sorrow
But if we are wise
We know that there's always tomorrow

Chorus
Lean on me when you're not strong
And I'll be your friend. I'll help you
carry on.
For it won't be long till I'm gonna need
Somebody to lean on.
Just call on me brother when you need a
hand.
We all need somebody to lean on.
I just might have a problem that you'd
understand
We all need somebody to lean on.

If there is a load
You have to bear that you can't carry
I'm right up the road
I'll share your load if you just call me.

Repeat Chorus

"Never Say Goodbye"

The majority of the class of 1993

has grown together

during the last thirteen years.

New friends

have come while others have

gone. But throughout the past, on

the whole we have

matured together, learned to-

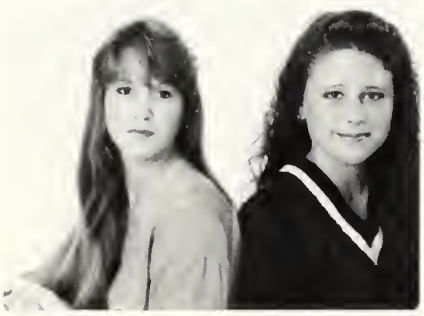
gether, and stuck together.

"You and me and my old friends"

"Hoping it would never end"

"Remember at the prom that night"

"Together, forever!"



That's why Jon Bon Jovi's song "Never Say Goodbye" was chose
by the class of 1993 to be our theme. "You and me and my ol
friends, hoping it would never end. . . Holdin' on — we've got t
try. Holdin' on to

NEVER SAY GOODBYE. . ."

Homecoming Week

Homecoming '92 was an enormous success this year! The entire high school participated in a variety of competitions ranging from piling shaving cream on the class president's head to wrapping the grade in toilet paper. But most important to all was keeping the lion the color of their grade.

The football team defeated Millbury on Friday night in a great game. Finally, Homecoming Week came to a fabulous end with the Homecoming Dance on Saturday night. The theme of the dance was "My Hometown" by Bruce Springsteen.

The excitement of the evening climaxed as both students and teachers sang their hearts out into the Karaoke machine. The homecoming king and queen were seniors John Lamprey and Katie Priestley. Overall, the week was enjoyed by everyone!

Never Say Goodbye

As I sit in this smokey room
The night about to end
I pass my time with strangers
But this bottle's my only friend

Remember when we used to park
On Butler Street out in the dark
Remember when we lost the keys
And you lost more than that in my back seat

Remember when we used to talk
About busting out — we'd break their hearts
Together, forever

Never say goodbye, never say goodbye
You and me and my old friends
Hoping it would never end
Never say goodbye, never say goodbye
Holdin' on — we've got to try
Holdin' on to never say goodbye

Remember days of skipping school
Racing cars and being cool
With a six pack and the radio
We didn't need no place to go

Remember at the prom that night
You and me, we had a fight
But the band played our favorite song
And I held you in my arms so strong

We danced so close
We danced so low
And I swore I'd never let you go
Together, forever

Never say goodbye, never say goodbye
You and me and my old friends
Hoping it would never end
Never say goodbye, never say goodbye
Holdin' on — we've got to try
Holdin' on to never say goodbye

I guess you'd say we used to talk
About busting out
We'd break their hearts
Togther, forever
